MEMORANDUM FOR THE RECORD

SUBJECT: Concurrence in Amendment No. 1 to Letter Contract No. BE-2022 with Westinghouse Electric Corporation, Baltimore, Md.,   (RAINBOW).

25X1A

1. This memorandum contains a recommendation submitted for approval of the Project Director. Such recommendation is set forth in Paragraph 5.
2. Letter Contract No. BE-2022 provides for studies and investigations of the probable effects of changes of certain variables on the operation of special systems for producing electromagnetic radiation. Amendment No. 1 to the letter contract increases the estimated contract price to an amount commensurate with the estimated support to be provided by the Contractor in fulfilling the requirements of the Government under the letter contract.
3. The letter contract obligated \$100,000 chargeable to Fiscal Year 1957 AQUATONE (RAINBOW) funds. Amendment No. 1 obligates an additional \$50,000 for Fiscal Year 1957 AQUATONE (RAINBOW) funds under the contract. By concurrence to this memorandum, the Project Comptroller signifies that sufficient funds are available for this additional obligation.
4. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1957, which in effect results in all 10(b) expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 10(b) of Public Law 110, 81st Congress, for each contract.
5. Approval of Amendment No. 1 to Letter Contract No. BE-2022 and execution thereof on behalf of the Agency by the
